April 05, 2022

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

APPROVAL OF A CONTRACT WITH MORRISON HEALTHCARE, INC. TO PROVIDE FOOD SERVICES AT CENTRAL JUVENILE HALL FOR THE COUNTY OF LOS ANGELES PROBATION DEPARTMENT

(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)

SUBJECT

Approval of a contract with Morrison Healthcare, Inc. (Morrison) to provide food services at Central Juvenile Hall for the County of Los Angeles Probation Department.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that food services provided under the recommended contract will be more economically performed by Morrison rather than by County employees.
2. Approve and instruct the Chair to sign the attached contract (Attachment I) with Morrison to provide food services at Central Juvenile Hall for an initial estimated contract amount of \$1,800,000 commencing on May 1, 2022 through April 30, 2023.
3. Delegate authority to the Chief Probation Officer to prepare and execute contract amendments to extend the contract term for up to four (4) additional 12-month periods, at an estimated annual amount of \$1,800,000 upon approval as to form by County Counsel.
4. Delegate authority to the Chief Probation Officer to prepare and execute amendments to this contract to decrease or increase either the contract amount or the contract period, not to exceed 10% of the per unit cost and/or 180 days to the period of performance pursuant to the terms

contained therein, upon approval as to form by County Counsel.

5. Delegate authority to the Chief Probation Officer, or their designee, to approve: 1) non-material, technical, and administrative changes to the contract, 2) necessary changes to the scope of service, and if necessary, 3) termination of, in whole or in part, the contract with Morrison.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval of the attached contract (Attachment I) with Morrison to provide food services at Central Juvenile Hall (CJH) for the County of Los Angeles Probation Department (Probation).

Probation has contracted for food services at CJH since 1981. CJH is an institutional setting that has a unique work location. It is open seven days a week, 24 hours a day. The contractor's major function is to provide reliable food services that include the purchase, delivery, storage, preparation and serving of food to all juveniles and authorized personnel at CJH. The contracted services must be performed in accordance with County standards and in a manner consistent with the long-range plans, goals and objectives of providing quality food at CJH.

Probation provides oversight of the contractor and will ensure accountability for the services provided. Approval of this contract will enable Probation to continue receiving food services at CJH. The recommended contract will commence on May 1, 2022, or following approval by your Board, whichever is later.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County of Los Angeles Strategic Plan Goal III: Realize Tomorrow's Government Today. Specifically, it will address Strategy III.3 to Pursue Operational Effectiveness, Fiscal Responsibility, and Accountability.

FISCAL IMPACT/FINANCING

The estimated annual cost of this contract is \$1,800,000. The annual savings to the County is estimated at \$350,000 (Attachment II). The price per meal at the meal range of 1000-1099 for Youth Meals is \$3.74, Youth Meals under National School Lunch Program (NSLP) is \$4.07 and the range for Adult Meals is 300-399 at \$4.09 per meal. Because the annual number of meals cannot be projected with certainty given the fluctuations of juveniles entering the system, the actual contract savings may be more or less than estimated.

Funding for this contract is included in Probation's FY 2021-2022 Adopted Budget. The recommended contract includes provisions for non-appropriation of funds and budget reductions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Since 1981, Probation has contracted for food services at CJH. The need for food services continues to exist at this location. The scope of work for this contract includes the purchase, delivery, storage, preparation and serving of food to all juveniles and authorized personnel at CJH. The contractor will also be responsible for all related recordkeeping, and sanitation requirements.

The initial term of this contract shall be effective May 1, 2022 through April 30, 2023. The recommended contract is authorized by Los Angeles County Charter section 44.7 and Los Angeles County Code Chapter 2.121 (Proposition A). Probation has complied with all requirements for contracting with private businesses under Los Angeles County Code Chapter 2.121. All requirements of Los Angeles County Code Section 2.121.380 have been met.

Probation determined that the Living Wage Ordinance applies to the recommended contract. The contract includes compliance with the requirements for the County's Living Wage Program (Los Angeles County Code, Chapter 2.201).

The recommended contract contains the Board's required contract provisions, including those pertaining to consideration of qualified county employees targeted for layoffs, as well as qualified GAIN/GROW participants for employment openings, compliance with Jury Service Ordinance, Safely Surrendered Baby Law, and the Child Support Program.

Auditor-Controller has reviewed the cost comparison and concurs that the contract is cost effective.

County Counsel has reviewed and approved the recommended contract as to form.

CONTRACTING PROCESS

To solicit for these services, a competitive Request for Proposals (RFP) process was utilized and issued on August 21, 2020. Through the solicitation and competitive negotiation process, approximately forty (40) letters were sent to service providers.

Attachment III provides the process used for contracting with community business enterprises. Advertisements were run in the Los Angeles Times, Lynwood Journal and Nuestra Comunidad. The solicitation information was also made available through the Internet on the County of Los Angeles Internal Services Department (Attachment IV) and Probation websites. As a result, seven (7) potential providers registered for the

Mandatory Proposer's Conference and site visit (Conference) and all seven (7) potential providers attended the Conference.

Three (3) proposals were received and evaluated using the initial screening "pass/fail" process which was consistent with the Selection Process and Evaluation Criteria set forth in the RFP. The proposals submitted by Morrison, Trinity Services Group and Better 4 You Meals passed the initial screening and proceeded to the final evaluation process. The proposals were rated and scored by an evaluation committee using a point system that covered: 1) proposer's qualifications, 2) proposer's approach to provide required services, 3) proposer's quality control plan, 4) living wage compliance, and 5) proposer's cost proposal.

Morrison received the highest overall rating. Morrison submitted a responsive proposal that reflected a good understanding of the services to be provided. Morrison demonstrated they were experienced and capable of providing the required services. There were no protests received as part of this solicitation. The current contract expires on April 30, 2022.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This contract will continue the current level of services to Probation.

Respectfully submitted,

The County and the Contractor hereby agree to regard electronic representations of original signatures of authorized officers of each party, when appearing in appropriate places on the Amendments prepared pursuant to Paragraph 8.1 (Amendments) and received via communications facilities (facsimile, email or electronic signature), as legally sufficient evidence that such legally binding signatures have been affixed to Amendments to this Contract.

8.19 Fair Labor Standards

- 8.19.1 The Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County and its agents, officers, and employees from any and all liability, including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law, including, but not limited to, the Federal Fair Labor Standards Act, for work performed by the Contractor's employees for which the County may be found jointly or solely liable.

8.20 Force Majeure

- 8.20.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this paragraph as "force majeure events").
- 8.20.2 Notwithstanding the foregoing, a default by a subcontractor of the Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both the Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, the Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this subparagraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.
- 8.20.3 In the event the Contractor's failure to perform arises out of a force majeure event, the Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.21 Governing Law, Jurisdiction, and Venue

This Contract shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Contract and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.22 Independent Contractor Status

- 8.22.1 This Contract is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to

be, the employees or agents of the other party for any purpose whatsoever.

8.22.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Contract all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.22.3 The Contractor understands and agrees that all persons performing work pursuant to this Contract are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor shall be solely liable and responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Contract.

8.22.4 The Contractor shall adhere to the provisions stated in Paragraph 7.6 (Confidentiality).

8.23 Indemnification

8.23.1 The Contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, agents and volunteers (County Indemnitees) from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Contractor's acts and/or omissions arising from and/or relating to this Contract, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees.

8.24 General Provisions for all Insurance Coverage

8.24.1 Without limiting the Contractor's indemnification of the County, and in the performance of this Contract and until all of its obligations pursuant to this Contract have been met, the Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Paragraphs 8.24 (General Provisions for all Insurance Coverage) and 8.25 (Insurance Coverage) of this Contract. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation

imposed upon the Contractor pursuant to this Contract. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Contract.

8.24.2 Evidence of Coverage and Notice to County

- 8.24.2.1 Certificate(s) of insurance coverage (Certificate) satisfactory to the County, and a copy of an Additional Insured endorsement confirming the County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to the County at the address shown below and provided prior to commencing services under this Contract.
- 8.24.2.2 Renewal Certificates shall be provided to the County not less than ten (10) days prior to the Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or subcontractor insurance policies at any time.
- 8.24.2.3 Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Contract by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Contract. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand dollars (\$50,000), and list any County required endorsement forms.
- 8.24.2.4 Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.
- 8.24.2.5 Certificates and copies of any required endorsements shall be sent to:

8.24.2.6 The Contractor also shall promptly report to the County any injury or property damage accident or incident, including any injury to a Contractor employee occurring on County property, and any loss, disappearance, destruction, misuse, or theft of County property, monies or securities entrusted to the Contractor. The Contractor also shall promptly notify the County of any third party claim or suit filed against the Contractor or any of its subcontractors which arises from or relates to this Contract, and could result in the filing of a claim or lawsuit against the Contractor and/or the County.

8.24.3 Additional Insured Status and Scope of Coverage

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, employees and volunteers (collectively County and its Agents) shall be provided additional insured status under the Contractor's General Liability policy with respect to liability arising out of the Contractor's ongoing and completed operations performed on behalf of the County. The County and its Agents additional insured status shall apply with respect to liability and defense of suits arising out of the Contractor's acts or omissions, whether such liability is attributable to the Contractor or to the County. The full policy limits and scope of protection also shall apply to the County and its Agents as an additional insured, even if they exceed the County's minimum Required Insurance specifications herein. Use of an automatic additional insured endorsement form is acceptable providing it satisfies the Required Insurance provisions herein.

8.24.4 Cancellation of or Changes in Insurance

The Contractor shall provide the County with, or the Contractor's insurance policies shall contain a provision that the County shall receive, written notice of cancellation or any change in Required Insurance, including insurer, limits of coverage, term of coverage or policy period. The written notice shall be provided to the County at least ten (10) days in advance of cancellation for non-payment of

premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.24.5 Failure to Maintain Insurance

The Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which the County immediately may withhold payments due to the Contractor, and/or suspend or terminate this Contract. The County, at its sole discretion, may obtain damages from the Contractor resulting from said breach. Alternatively, the County may purchase the Required Insurance, and without further notice to the Contractor, deduct the premium cost from sums due to the Contractor or pursue Contractor reimbursement.

8.24.6 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by the County.

8.24.7 Contractor's Insurance Shall Be Primary

The Contractor's insurance policies, with respect to any claims related to this Contract, shall be primary with respect to all other sources of coverage available to the Contractor. Any County maintained insurance or self-insurance coverage shall be in excess of and not contribute to any Contractor coverage.

8.24.8 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against the County under all the Required Insurance for any loss arising from or relating to this Contract. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.24.9 Subcontractor Insurance Coverage Requirements

The Contractor shall include all subcontractors as insureds under the Contractor's own policies, or shall provide the County with each

subcontractor's separate evidence of insurance coverage. The Contractor shall be responsible for verifying each subcontractor complies with the Required Insurance provisions herein, and shall require that each subcontractor name the County and the Contractor as additional insureds on the subcontractor's General Liability policy. The Contractor shall obtain the County's prior review and approval of any subcontractor request for modification of the Required Insurance.

8.24.10 Deductibles and Self-Insured Retentions (SIRs)

The Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require the Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing the Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.24.11 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Contract. The Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Contract expiration, termination or cancellation.

8.24.12 Application of Excess Liability Coverage

The Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.24.13 Separation of Insureds

All liability policies shall provide cross-liability coverage as would be afforded by the standard ISO (Insurance Services Office, Inc.) separation of insureds provision with no insured versus insured exclusions or limitations.

8.24.14 Alternative Risk Financing Programs

The County reserves the right to review, and then approve, Contractor use of self-insurance, risk retention groups, risk

purchasing groups, pooling arrangements and captive insurance to satisfy the Required Insurance provisions. The County and its Agents shall be designated as an Additional Covered Party under any approved program.

8.24.15 County Review and Approval of Insurance Requirements

- 8.26.1 If, in the judgment of the Chief Probation Officer, or his/her designee, the Contractor is deemed to be non-compliant with the terms and obligations assumed hereby, the Chief Probation Officer, or his/her designee, at his/her option, in addition to, or in lieu of, other remedies provided herein, may withhold the entire monthly payment or deduct pro rata from the Contractor's invoice for work not performed. A description of the work not performed and the amount to be withheld or deducted from payments to the Contractor from the County will be forwarded to the Contractor by the Chief Probation Officer, or his/her designee, in a written notice describing the reasons for said action.

8.26.2 If the Chief Probation Officer, or his/her designee, determines that there are deficiencies in the performance of this Contract that the Chief Probation Officer, or his/her designee, deems are correctable by the Contractor over a certain time span, the Chief Probation Officer, or his/her designee, will provide a written notice to the Contractor to correct the deficiency within specified time frames. Should the Contractor fail to correct deficiencies within said time frame, the Chief Probation Officer, or his/her designee, may:

- (a) Deduct from the Contractor's payment, pro rata, those applicable portions of the Monthly Contract Sum; and/or
- (b) Deduct liquidated damages. The parties agree that it will be impracticable or extremely difficult to fix the extent of actual damages resulting from the failure of the Contractor to correct a deficiency within the specified time frame. The parties hereby agree that under the current circumstances a reasonable estimate of such damages is one hundred dollars (\$100) per day per infraction, or as specified in Exhibit V (Performance Requirements Summary (PRS) Chart), hereunder, and that the Contractor shall be liable to the County for liquidated damages in said amount. Said amount shall be deducted from the County's payment to the Contractor; and/or
- (c) Upon giving five (5) days' notice to the Contractor for failure to correct the deficiencies, the County may correct any and all deficiencies and the total costs incurred by the County for completion of the work by an alternate source, whether it be County forces or separate private Contractor, will be deducted and forfeited from the payment to the Contractor from the County, as determined by the County.

8.26.3 The action noted in Subparagraph 8.26.2 shall not be construed as a penalty, but as adjustment of payment to the Contractor to recover the County cost due to the failure of the Contractor to complete or comply with the provisions of this Contract.

8.26.4 This paragraph shall not, in any manner, restrict or limit the County's right to damages for any breach of this Contract provided by law or as specified in the PRS or Subparagraph 8.26.2, and shall not, in any manner, restrict or limit the County's right to terminate this Contract as agreed to herein.

8.27 Most Favored Public Entity

- 8.27.1 If the Contractor's prices decline or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

8.28 Nondiscrimination and Affirmative Action

- 8.28.1 The Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State anti-discrimination laws and regulations.

Such action shall include, but is not limited to: employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship.

- 8.28.5 The Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this

Contract or under any project, program, or activity supported by this Contract.

- 8.28.6 The Contractor shall allow County representatives access to the Contractor's employment records during regular business hours to verify compliance with the provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) when so requested by the County.
- 8.28.7 If the County finds that any provisions of this Paragraph 8.28 (Nondiscrimination and Affirmative Action) have been violated, such violation shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. While the County reserves the right to determine independently that the anti-discrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment and Housing Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated Federal or State anti-discrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the anti-discrimination provisions of this Contract.
- 8.28.8 The parties agree that in the event the Contractor violates any of the anti-discrimination provisions of this Contract, the County shall, at its sole option, be entitled to the sum of five hundred dollars (\$500) for each such violation pursuant to California Civil Code Section 1671 as liquidated damages in lieu of terminating or suspending this Contract.

8.29 Non Exclusivity

- 8.29.1 Nothing herein is intended nor shall be construed as creating any exclusive arrangement with the Contractor. This Contract shall not restrict the County from acquiring similar, equal or like goods and/or services from other entities or sources.

All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
- 8.36.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.37.1.1 The Contractor shall develop all publicity material in a professional manner; and

8.37.1.2 During the term of this Contract, the Contractor shall not and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the name of the County without the prior written consent of the County's Program Manager. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Contract. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

8.38.2 In the event that an audit of the Contractor is conducted specifically regarding this Contract by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise,

then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Contract. Subject to applicable law, the County shall make a reasonable effort to maintain the confidentiality of such audit report(s).

- 8.38.3 Failure on the part of the Contractor to comply with any of the provisions of this Paragraph 8.38 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract.
- 8.38.4 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.
- 8.38.5 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County Contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County Contracts. The Contractor further acknowledges that the foregoing requirement in this paragraph relative to the Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its

discretion to verify the Contractor's full compliance with and adherence to California labor laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

- 8.40.3 The Contractor shall indemnify, defend, and hold the County harmless with respect to the activities of each and every

subcontractor in the same manner and to the same degree as if such subcontractor(s) were the Contractor employees.

- 8.40.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.40.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its subcontractors of this County right.
- 8.40.6 The County's Contract Manager is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, the Contractor shall forward a fully executed subcontract to the County for their files.

8.41.1 Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 8.14 (Contractor's Warranty of Adherence to County's Child Support Compliance Program) shall constitute a default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to Paragraph 8.43 (Termination for Default) and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.42 Termination for Convenience

8.42.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole

discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.42.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

8.42.2.1 Stop work under this Contract on the date and to the extent specified in such notice, and

8.42.2.2 Complete performance of such part of the work as shall not have been terminated by such notice.

8.42.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with Paragraph 8.38 (Record Retention and Inspection-Audit Settlement).

8.43 Termination for Default

8.43.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of the County's Contract Manager:

8.43.1.1 The Contractor has materially breached this Contract; or

8.43.1.2 The Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or

8.43.1.3 The Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.43.2 In the event that the County terminates this Contract in whole or in part as provided in Subparagraph 8.43.1, the County may procure, upon such terms and in such manner as the County may deem

appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this paragraph.

- 8.43.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Subparagraph 8.43.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.
- 8.43.4 If, after the County has given notice of termination under the provisions of this Paragraph 8.43 (Termination for Default) it is determined by the County that the Contractor was not in default under the provisions of this Paragraph 8.43 (Termination for Default) or that the default was excusable under the provisions of Subparagraph 8.43.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to Paragraph 8.42 (Termination for Convenience).
- 8.43.5 The rights and remedies of the County provided in this Paragraph 8.43 (Termination for Default) shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

- 8.44.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.47 Termination for Non-Appropriation of Funds

8.47.1 Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.49 Waiver

8.49.1 No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 Warranty Against Contingent Fees

- 8.50.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as Exhibit J (Living Wage Program Ordinance) and incorporated by reference into and made a part of this Contract.

9.1.2 Payment of Living Wage Rates

9.1.2.1 Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its employees no less than the applicable hourly living wage rate, as set forth in Exhibit K (Living Wage Rate Annual Adjustment), for the employees' services provided to the County, including, without limitation, "Travel Time" as defined below Paragraph 9.1.2.5 under the Contract.

9.1.2.2 For purposes of this paragraph, "Contractor" includes any subcontractor engaged by the Contractor to perform services for the County under the Contract. If the

Contractor uses any subcontractor to perform services for the County under the Contract, the subcontractor shall be subject to the provisions of this paragraph. The provisions of this paragraph shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time or part-time services to the Contractor, which are provided to the County under the Contract. "Full-time" means a minimum of forty (40) hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than thirty-five (35) hours worked per week will not, in any event, be considered full-time.

- 9.1.2.3 If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.
- 9.1.2.4 If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exemption status" from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program's definition of "Employer" or if the Contractor no longer qualifies for the exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to qualify for the exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.

9.1.2.5 For purposes of the Contractor's obligation to pay its employees the applicable hourly living wage rate under this Contract, "Travel Time" shall have the following two meanings, as applicable: 1) With respect to travel by an employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an employee physically travels to or from a County facility if the Contractor pays the employee any amount for that time or if California law requires the Contractor to pay the employee any amount for that time; and 2) With respect to travel by an employee between County facilities that are subject to two different Contracts between the Contractor and the County (of which both Contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an employee physically travels to or from, or between such County facilities if the Contractor pays the employee any amount for that time or if California law requires the Contractor to pay the employee any amount for that time.

9.1.3 Contractor's Submittal of Certified Monitoring Reports

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor's employees during the reporting period. The certified monitoring reports shall also verify the number of hours worked and the hourly wage rate paid, for each of its employees. All certified monitoring reports shall be submitted on forms provided in Exhibit L (Payroll Statement of Compliance), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

9.1.4 Contractor's Ongoing Obligation to Report Labor Law-Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law-payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law-payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as

minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law-payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law-payroll violation or claim arising out of any of the Contractor's operations in California.

9.1.5 County Auditing of Contractor Records

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

9.1.6 Notifications to Employees

The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where the Contractor's employees are working. The Contractor shall also distribute County-provided notices to each of its employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of the Contractor's employees.

9.1.7 Enforcement and Remedies

If the Contractor fails to comply with the requirements of this paragraph, the County shall have the rights and remedies described in this paragraph in addition to any rights and remedies provided by law or equity.

1. Remedies for Submission of Late or Incomplete Certified Monitoring Reports. If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In

the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding of Payment. If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of one hundred dollars (\$100) per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
 - c. Termination. The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.
2. Remedies for Payment of Less Than the Required Living Wage. If the Contractor fails to pay any employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such

breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. Withholding Payment. If the Contractor fails to pay one or more of its employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
 - b. Liquidated Damages. It is mutually understood and agreed that the Contractor's failure to pay any of its employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of fifty dollars (\$50) per employee per day for each and every instance of an underpayment to an employee. The County may deduct any assessed liquidated damages from any payments otherwise due the Contractor.
 - c. Termination. The Contractor's continued failure to pay any of its employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.
3. Debarment. In the event the Contractor breaches a requirement of this paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County Contracts for a period of time consistent with the seriousness

of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment.

9.1.8 Use of Full-Time Employees

The Contractor shall assign and use full-time employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or the County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time employee staffing plan. If the Contractor changes its full-time employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

9.1.9 Contractor Retaliation Prohibited

The Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any Contract benefit, or any statutory benefit for any employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this subparagraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

9.1.10 Contractor Standards

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

9.1.11 Employee Retention Rights

1. The Contractor shall offer employment to all retention employees who are qualified for such jobs. A "retention employee" is an individual:

- a. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act; and
 - b. Who has been employed by a Contractor under a predecessor Proposition A Contract or a predecessor cafeteria services Contract with the County for at least six (6) months prior to the date of this new Contract, which predecessor Contract was terminated by the County prior to its expiration; and
 - c. Who is or will be terminated from his or her employment as a result of the County entering into this new Contract.
2. The Contractor is not required to hire a retention employee who:
- a. Has been convicted of a crime related to the job or his or her performance; or
 - b. Fails to meet any other County requirement for employees of a Contractor.
3. The Contractor shall not terminate a retention employee for the first ninety (90) days of employment under the Contract, except for cause. Thereafter, the Contractor may retain a retention employee on the same terms and conditions as the Contractor's other employees.

9.1.12 Neutrality in Labor Relations

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

9.2 Health Insurance Portability and Accountability Act of 1996 (HIPAA)

- 9.2.1 The County is subject to the Administrative Simplification requirements and prohibitions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 (HIPAA), and

regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (collectively, the "HIPAA Rules"). Under this Agreement, the Contractor provides services to the County and the Contractor creates, has access to, receives, maintains, or transmits Protected Health Information as defined in Exhibit N in order to provide those services. The County and the Contractor therefore agree to the terms of Exhibit N, "Business Associate Under Health Insurance Portability and Accountability Act of 1996 ("HIPAA").

12.0 PERFORMANCE REQUIREMENTS SUMMARY

- 12.1 All listings of services used in the Performance Requirements Summary (PRS) are intended to be completely consistent with the Contract and the Statement of Work (SOW), and are not meant in any case to create, extend, revise, or expand any obligation of the Contractor beyond that defined in the Contract and the SOW. In any case of apparent inconsistency between services as stated in the Contract, SOW and the PRS, the meaning apparent in the Contract and the SOW will prevail. If any service seems to be created in the PRS which is not clearly and forthrightly set forth in the Contract and the SOW, that service will be null and void and place no requirement on Contractor.
- 12.2 A standard level of performance will be required of Contractor for the required services. Exhibit V (Performance Requirements Summary Chart) summarizes the required services, performance standards, maximum allowable deviation from the standards, methods of surveillance to be used by the County, and liquidated damages to be imposed for unacceptable performance. The County will evaluate the Contractor's performance under this Contract using the quality assurance procedures specified in Exhibit V (Performance Requirements Summary Chart) or other such procedures as may be necessary to ascertain Contractor compliance with this Contract. Failure of the Contractor to achieve this standard can result in an assessment of liquidated damages against Contractor's monthly payment as determined by the County.
- 12.3 When the Contractor's performance does not conform to the terms of this Contract, the County will have the option to apply the following remedies:
- 12.3.1 Require the Contractor to implement a formal corrective action plan, subject to approval by the County. In the plan, the Contractor must include reasons for the substandard performance, specific steps to return performance to an

acceptable level, and monitoring methods to prevent recurrence.

- 12.3.2 Reduce payment to the Contractor by a computed amount based on the assessment fee(s) in the PRS.
- 12.3.3 Reduce, suspend or cancel this Contract for systematic, deliberate misrepresentations or substandard levels of performance.
- 12.3.4 Failure of the Contractor to comply with the County's request(s) to improve performance or to perform work specified within ten (10) business days shall constitute a breach of Contract and authorize the County to have the service(s) performed by another. The entire cost of the replacement work due to the Contractor's breach, as solely determined by the County, shall be credited to the County on the Contractor's future invoice.

This subparagraph does not limit the County's exclusive right to terminate the Contract upon ten (10) business days' written notice, with or without cause, as provided for in Paragraph 8.42 (Termination for Convenience) of the Contract.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a baby, let her know there are other options. For three days (72 hours) after birth, a baby can be surrendered to staff at any hospital or fire station in Los Angeles County.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre o el adulto que lo entregue recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazaletes con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. SAMPLE MEDICAL/MODIFIED DIETS

Consistent Carbohydrate Diet

- **2,000 kcal/day or 2,800 kcal/day + 3 snacks/day (AM, PM, HS)**
- Previously, this diet may have had other names (“Diabetic diet”, “ADA diet”) but these terms are now considered obsolete because evidence suggests that there is not an ideal percentage of energy from carbohydrate, protein, and fat for all people with diabetes. The name of the diet no longer emphasizes the restriction of sugar or sweets, but rather emphasizes controlling carbohydrates.
- This diet is recommended for individuals diagnosed with diabetes, prediabetes, or some level of insulin or blood sugar imbalance. While no specific dietary pattern is recommended for the management of diabetes, controlling the amount and type of carbohydrate consumed has been found to be helpful in managing blood sugar. The amount of carbohydrate and available insulin may be the most important factor influencing the body’s response after eating and should be considered when developing a patient’s eating plan.
- This diet provides a range of 3-5 carbohydrate servings (45 g-75 g) at each meal along with 0-4 carbohydrate servings (0 g-30 g) during snacks.

Prenatal Diabetic Diet

- **2,000 kcal/day + 3 snacks/day (AM, PM, HS)**
- This diet is indicated for an individual who develops diabetes during pregnancy or has diabetes before she becomes pregnant. This diet is designed to meet the nutritional needs of the diabetic youth, however it can be individualized. The meal pattern provides consistent carbohydrates throughout the day, in addition to four servings of milk to support increased calcium needs.

Sodium-Restricted Diet

- The sodium-restricted diet is composed of fluids and foods with limited sodium content. These foods can consist of foods with naturally low levels of sodium or foods that have been produced in such a way that they contain less sodium. The 2015-2020 US Dietary Guidelines recommends limiting sodium to less than 2,300 mg/day. Commonly offered sodium-restricted modifications include the “no added salt” (NAS) (3 g to 4 g sodium), and “low-sodium” (1.5 g to 2 g sodium), diets. The regular 5-week cycle menu provides approximately 2,000 to 2,300 mg of sodium per day.
- Individuals with cardiovascular disease, heart failure, kidney disease, or those presenting with edema may benefit from sodium restriction of varying degrees, depending on medical conditions and clinical status. Individuals diagnosed with high blood pressure (prehypertension and hypertension) would benefit from lowering blood pressure, and further sodium reduction to 1,500 mg per day can result in even greater blood pressure reduction.

SAMPLE MEDICAL/MODIFIED DIETS

Lactose-Controlled Diet

- The lactose-controlled diet removes most sources of lactose from the diet. Lactose is the sugar found in milk and dairy foods. This diet is recommended for individuals with lactose intolerance or lactase enzyme deficiency or when a youth reports symptoms that support a lactose intolerance diagnosis such as bloating, diarrhea, abdominal cramps and gas after consuming milk or products made from or containing milk. THIS DIET IS NOT INTENDED FOR YOUTH WHO ARE ALLERGIC TO MILK.

Increased Fiber Diet

- When adequate fiber is consumed (25-35 g/day, with girls on the lower end and boys on the higher end), many health benefits occur in the colon and body. Fiber works to sweep out toxins, cholesterol and cancer causing substances from the colon. Adequate fluid intake is crucial, and overconsumption of fiber (≥ 50 g/day) can cause blockage. The regular 5-week cycle menu contains an adequate amount of fiber typically ≥ 35 g/day and therefore is considered a high fiber menu. The increased fiber diet may be ordered if even more fiber is medically necessary. Drinking 8 to 10 cups of water per day is recommended to prevent constipation.

Blood Lead Reduction Diet

- The Blood Lead Reduction Diet is recommended for individuals who have an elevated blood lead level, or 3 mg/dl or more. Nutritional counseling related to calcium and iron intake is recommended for blood lead levels between 10-19 mg/dl may require medical interventions as deemed necessary by the physician and in accordance with CDC guidelines. A physician should be consulted before taking dietary supplements of calcium or iron, as excessive amounts of these, particularly the latter, can have serious health effects of their own.

Mechanical Soft Diet

- This diet is designed to minimize the amount of chewing necessary to digest food. It may be used as a transition from a wired jaw diet to a regular diet. The diet is modified only in texture such as blended, chopped, ground and pureed foods. Foods are moist and require minimal chewing before swallowing.

Wired Jaw Diet

- Due to the youth's inability to chew due to a wired jaw, all foods must be of a consistency that can be sucked through a straw. Because the jaw may be wired for up to eight weeks, meals must be carefully planned to ensure adequate intake of calories, protein, carbohydrates, vitamins and minerals.

SAMPLE MEDICAL/MODIFIED DIETS

Full Liquid Diet

- The full liquid diet is often used as a transition between a clear liquid diet and a regular diet, for example, after surgery or fasting. It may also be prescribed after certain procedures, such as jaw wiring. This diet is appropriate for youth who have difficulty swallowing and chewing.

Clear Liquid Diet

- A clear liquid diet maintains vital body fluids, salts, and minerals and also gives some energy for youth when normal food intake must be interrupted. Clear liquids are easily absorbed and reduce stimulation of the digestive system, and leave no residue in the intestinal tract. A clear liquid diet is often prescribed in preparation for surgery and right after surgery. Clear liquids are given when a youth has been without food for a long time.

Food Allergy Diet

- The purpose of a food allergy diet is to eliminate the allergen from meals and provide nutritionally comparable substitutions in place of allergenic item(s) on the menu. Allergenic foods are not necessarily visible to the eye and may be hidden within foods; i.e. a component of the allergenic food rather than the whole food may be contained within a prepared food item. Therefore, it is important to read all labels when preparing meals for a youth with a food allergy.

The menu item substitution list below provides guidance for substituting appropriate food components when a menu item is unavailable or must be substituted. For detailed information for specific foods and how they contribute to each food component, refer to the **USDA Food Buying Guide**.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

- (4) The Sponsor will comply with all provisions of Executive Order No. 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (5) The Sponsor will furnish all information and reports required by Executive Order No. 11246 of September 24, 1965, by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the USDA, the Secretary of Labor, and/or CDE for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (6) In the event of the Sponsor's noncompliance with the nondiscrimination clauses of this Agreement, as it relates to CNP expenses, the Agreement may be canceled, terminated, or suspended in whole or part and the Sponsor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order No. 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as rule, regulations, or order of the Secretary of Labor, or as otherwise provided by law.

and it has been signed by the School Nutrition Programs Manager.

 - The program shall be operated by a school that is participating in the NSLP.
 - The purpose of the program shall be to provide care for children in an afterschool setting.
 - The program shall include education or enrichment activities in an organized, structured, and supervised environment.

Extracurricular activities such as school choir, debate team, or the drama society may participate only if their basic purpose is to provide afterschool care, and the program is open to all children. REQUIREMENTS FOR SPONSOR PARTICIPATION IN SEAMLESS SUMMER FEEDING OPTION PROGRAM

This section applies only if an effective date for the SSFO has been entered on the Cover Page, and it has been signed by the School Nutrition Programs Manager.

The SSFO combines features of the NSLP, the SBP, and the SFSP. The SSFO reduces paperwork and the administrative burden that is normally associated with operating all three programs. To accomplish this, the above Sponsor requests an exemption of significant portions of the SFSP federal regulations of 7 CFR Part 225. In lieu of the exempt SFSP regulations, the Sponsor will follow applicable regulations in the NSLP and the SBP (7 CFR parts 210 and 220, respectively).

REQUIRED SFSP PROVISIONS

- (3) 7 CFR Section 225.6(e)(7): Claim reimbursement only for approved meals served without charge to children at approved sites during approved meal service periods—this section prohibits permanent changes to the serving time of any meal unless approved by CDE.
- (4) 7 CFR Section 225.14(c)(1): Demonstrate financial and administrative capability to operate the program, and accept final financial and administrative responsibility for the total program operations at all sites.
- (5) 7 CFR Section 225.14(c)(2): Have not been seriously deficient in operating the program.
- (6) 7 CFR Section 225.14(c)(3): Conduct a regularly scheduled food service for children from areas in which poor economic conditions exist (except camps).
- (7) 7 CFR Section 225.14(d)(2): Open the meal service to children in the community as well as the summer school students, for meals served to children enrolled in summer school.
- (8) 7 CFR Section 225.16(b): Limit the number of meals that may be served, as specified.

EXEMPTED SFSP PROVISIONS

To operate the SSFO, the Sponsor requests an exemption from the following SFSP regulatory provisions of 7 CFR, Part 225:

- (1) 7 CFR Section 225.6: CDE application approval, paragraphs (b), (c), (d), (e), (f), and (h) except paragraphs (d)(1), (e)(4), and (e)(7)

The Sponsor further agrees to the following specific provisions, as applicable:

- (1) Child or adult care centers must have federal, state, or local licensing or approval to provide day care services to participants. Child or adult care centers, which are complying with applicable procedures to renew licensing or approval, may participate in the Program during the renewal process, unless the CDE has information that indicates that renewal will be denied. At-risk afterschool care centers shall comply with licensing requirements set forth in 7 CFR Section 226.17a(d).
- (2) Except for for-profit centers, child and adult care centers shall be public, or have tax exempt status under the *Internal Revenue Code* of 1986.
- (3) Each child or adult care center participating in the Program must serve one or more of the following meal types—breakfast; lunch; supper; and/or snack. Reimbursement must not be claimed for more than two meals and one snack or one meal and two snacks provided daily to each participant. At-risk afterschool care centers shall comply with limits on daily reimbursement set forth in 7 CFR Section 226.17a (k).
- (4) Each child or adult care center participating in the Program shall claim only the meal types specified in its approved application in accordance with the meal pattern requirements specified in 7 CFR Section 226.20. Menus and any other nutritional records required by the CDE shall be maintained to document compliance with such requirements.
- (5) For-profit child care centers may not claim reimbursement for meals served to children in any month in which less than 25 percent of the children in care (enrolled or licensed capacity, whichever is less) were eligible for F/RP meals or were Title XX beneficiaries. However, children who only receive at-risk afterschool snacks and/or at-risk afterschool meals must not be included in this percentage.
- (6) For-profit adult care centers may not claim reimbursement for meals served to participants in any month in which less than 25 percent of the enrolled participants were Title XIX or Title XX beneficiaries.
- (7) A child care center with preschool children may also be approved to serve a breakfast, snack, and supper to school-age children participating in an outside-school-hours care program meeting the criteria of 7 CFR Section 226.19(b) that is distinct from its day care program for preschool-age children. The CDE may authorize the service of lunch to such participating children who attend a school that does not offer a lunch program, provided that the limit of two meals and one snack, or one meal and two snacks, per child per day is not exceeded.
- (8) A child care center with preschool children may also be approved to serve a snack or meal to school-age children participating in an at-risk afterschool care program meeting the requirements of 7 CFR Section 226.17a that is distinct from its day care program for preschool children, provided that the limit of two meals, and one snack, or one meal and two snacks, per child per day is not exceeded.
- (9) A child or adult care center may utilize existing school food service facilities or obtain meals from a school food service facility, and the pertinent requirements of 7 CFR Section 226.17(b) must be addressed in a written agreement between the child or adult care center and school. The center shall maintain responsibility for all applicable Program requirements set forth in 7 CFR sections 226.17, 226.17a, 226.19, and 226.19a.
- (10) Each child or adult care center, except at-risk afterschool care centers, shall collect and maintain documentation of the enrollment of each participant, including information used to determine eligibility for free and reduced-price meals in accordance with 7 CFR Section 226.23(e)(1). In addition, Head Start participants need only have a Head Start statement of income eligibility or a statement of Head Start enrollment from an authorized Head Start representative, to be eligible for free meal benefits under the CACFP. For children enrolled in a child care center, documentation of enrollment must be updated annually, signed by a parent or legal guardian, and include information on each child's normal days and hours of care and the meals normally received while in care.
- (11) Each child or adult care center must maintain daily records of time of service meal counts by type (breakfast, lunch, supper, and snacks) served to enrolled participants, and to adults performing labor necessary to the food service. At-risk after-school care centers must maintain records as required by 7 CFR Section 226.17a(o).
- (12) Each child or adult care center must require key staff, as defined by the CDE, to attend Program training prior to the center's participation in the Program, and at least annually thereafter, on content areas established by the CDE.
- (13) Sponsored child or adult care centers must promptly inform the sponsoring organization about any change in its licensing or approval status.
- (14) Unaffiliated sponsored child or adult care centers have the right to receive in a timely manner reimbursement for meals served to eligible participants for which the sponsoring organization has received payment from the CDE. However, if, with the child or adult care center's consent, the sponsoring organization will incur costs for the provision of program foodstuffs or meals on behalf of the center, and subtract such costs from Program payments to the center, the particulars of this arrangement shall be specified in the Agreement. The sponsoring organization must not withhold Program payments to any child or adult care center for any other reason, except that the sponsoring organization may withhold from the child or adult care center any amounts that the sponsoring organization has reason to believe are invalid, due to the child or adult care center having submitted a false or erroneous meal count.
- (15) The CDE and an independent child or adult care center have the right to terminate the Agreement for cause or, subject to 7 CFR Section 226.6(c), for convenience. Sponsoring organizations and unaffiliated sponsored centers have the right to terminate the Agreement for cause or convenience.
- (16) Child and adult care centers must comply with the CDE's time limit for submission of meal records.

Vendor's Employees Professional Standards

Federal Register Vol. 80, No. 40, dated March 2, 2015, referred to as the "Final Rule," establishes minimum professional standards for school nutrition personnel who manage and operate the National School Lunch and School Breakfast Programs. In the Final Rule, the following definitions are established:

1. **Nutrition Program Director** (Probation, Food and Nutrition Services Director). The school nutrition program director is any individual directly responsible for the management of the day-to-day operation of school food service for all participating schools under the jurisdiction of the school food authority.
2. **Nutrition Program Manager** (Contracted Kitchen Food Services Manager/Director). The school nutrition manager is any individual directly responsible for the management of the day-to-day operation of school food service for a participating school(s).
3. **Nutrition Program Staff** (Contracted Food Services Staff). School nutrition program staff are those individuals, without managerial responsibilities, involved in day-to-day operations of school food service for a participating school(s).

The Final Rule establishes that these definitions apply to the function/role rather than the specific title within the food service structure, and that the definitions apply whether or not the food service is operated by a Vendor. Therefore, as of the effective date of this contract, the minimum professional standards established by the Final Rule, and described therein, shall apply to the Vendor's staff performing any of the duties described above.

The Vendor shall only place staff for work in the Probation Department that meet the minimum professional standards outlined in 7 *CFR*, Section 210.30, which can be viewed at the following web page:

http://www.fns.usda.gov/sites/default/files/cn/profstandards_flyer.pdf.

- The Probation Department shall ensure that all staff the Vendor proposes for placement meet the minimum professional standards.
- The Vendor shall ensure their employees take the required annual training as outlined in the professional standards and provide certification of such training to the Probation Department. The Vendor shall remove from the Probation Department's premises any staff who fail to take the required annual training.
- The Vendor shall provide the Probation Department with a list of proposed employees and evidence that they meet the professional standards.
